This week in Kindergarten...

A message from the teacher...

I wanted to thank all of you who were able to make it to Curriculum night on Tuesday.

We had an awesome week in Kindergarten this past week. The students are still working hard to learn their PBIS rules, earn points, and learning to be kind, helpful, and courteous to one another. I am so proud of the work they are doing.

Our students continue to make new friends; learn about maps and globes and how to find themselves on a map from Earth, to Continents, to our Country, to our state, city, our street, to our house and then to their room; learn about the cardinal directions North, South, East, and West; 2D shapes; draw detailed pictures; and work to earn treasure box stickers.
