## This week in Kindergarten...

### A message from the teacher...

Happy Weekend everyone! We had a blast this week learning and working together in kindergarten. We learned about the sun and the moon, talked about places we visit in our neighborhood, learned to stop, and breathe in and breathe out to help us stay calm when we are mad or frustrated during our SEL lessons, practiced writing CVC words and phrases. Our favorite part of the week was playing outside with our friends in the beautiful fall weather.

Keep working on those turkeys! We have already gotten a couple of really cool disguises already. 😊

-- We are practicing for our Thanksgiving play and the students are excited to have you come to watch it. We sent home two of the poems we will be doing, please help students practice them. Remember our **Thanksgiving Play will be Thursday, November 17 at 1:00** in our classroom. There will be a sign-in table when you arrive in the front lobby. After the play/feast, there will be a sign-out form in my classroom if you decide to take your child home with you.

--Thanks to everyone who have volunteered to bring a snack for after our play. \*\*Just a little note, the snack treats are just for the students. In the past we used to do a big spread for everyone, but FCS has limited this to students. **ALL treats must be individually wrapped and store brought.**

--Check your students CJ for the parent letters for our upcoming Social Emotional Learning lesson.

--Please continue to review/practice our PBIS SPLASH Rules with your child. **\*\*PBIS rules can be found in students' blue CJ folder.**
