This week in Kindergarten

A message from the teacher...

What a wonderful time we are having in Kindergarten! We enjoyed beautiful weather at recess, learned lots of new facts about apples, learned two new letter sounds, and discussed ways things move.

Parents, please continue to help our Kinders practice logging into Classlink, many students are still having trouble. Also, please continue to have students complete iReady practice for both reading and math at home. ☺

On Monday we will celebrate Johnny Appleseed day with apple tasting. Please check your child's CJ for the permission slip for the apple tasting, many students have not returned it, and will not be able to participate without it.
